

CREDIT BY EXAMINATION

The Master's College, as a member of the College Entrance Examination Board recognizes the merits of the Advanced Placement (AP), International Baccalaureate (IB) and College Level Examination Program (CLEP), and will grant credit for passing scores in certain tests offered through these programs. A student may earn a maximum of 18 semester units of AP/IB/CLEP exam transfer credit. If a student takes a college course for which he has already received AP/IB/CLEP course credit, then he forfeits that transfer credit. The Master's College reserves the right to determine the amount of credit which will be awarded. Credit for all courses is awarded based on the following:

- Advanced Placement (AP) a score of 3, 4, or 5 (Exception: Math and Science course credit is awarded based on an AP score of 4 or 5).
- International Baccalaureate (IB) a score of 5, 6, or 7 on Higher Level examinations.
- College Level Examination Program (CLEP) a score in the 55th percentile or better

			Minimum	Units
Test Name	Course #	Equivalent TMC Course	Score	Awarded
US Government/Politics	POL220	US Government	3	3
Comp. Government/Politics	POL334	Comp. Politics	3	3
US History	H241, 242	US History I, II	3	3
