## The Master's Way

### The Mission of Student Leadership at the Master's University

The *Master's Way* Mission Statement:

**Student Life Leadership at The Master's University exists to train *God Glorifiers, Gospel Ambassadors, and Kingdom Influencers.***

This means that as a **purposeful mission**, *Student Life Leadership* at The Master's University endeavors to train *student-leaders* to **glorify God** through their **service and ministry** by doing it **"for" God** so people see Him and not them, by doing it **"to" God** as an act of worship, by doing it **"through" God** in dependence on Him, and by doing it with a view to the imperishable reward coming **"from" God**. Further, this means that The Master's University endeavors to train *student-leaders* to be ***Ambassadors of the Gospel*** by purposefully prioritizing and promoting the Gospel of Jesus Christ **on and through** each ministry team by **how they serve** and by **what they do and say**. Finally, this means that we train *student-leaders* to become **leaders and influencers** that **impact the world** in which they live, work, and minister so that the Kingdom of God is advanced, Jesus Christ is honored, the church is benefited, and people are blessed.

Therefore, in recognition of this Mission we call each **Servant-Leader** to model **The Master's Way: To Lead, Serve, and Minister** as an **ACT of WORSHIP**.

W – **Work**: Demanding the **best effort** of yourself and each other.

O — **Overcoming**: Dealing with difficulty with confidence, perseverance, and wisdom.

R – **Responsibility**: **Owning** your role and owning it when you **fail**.

S – **Selfless**: **Serving and sacrificing** out of LOVE to make your team, teammates, and the student experience better **even at your expense**.

H – **Humility**: Leading and serving so they **see Him** and **others, not you**.

I – **Integrity**: **Being honorable** in and out of the dorm and on and off Campus.

P – **Passion**: Ministering and serving **All in, All on, and All out!**
